SUSTAINABLE

TORINOFILMLAB CHARTER OF VALUES

TorinoFilmLab (TFL) is dedicated to fostering an **inclusive and dynamic environment for audiovisual professionals worldwide**.

Our core values – **inclusion, respect for diversity, freedom of expression, harmony, international collaboration, environmental sustainability** – shape every decision and action we take. In doing so, we empower filmmakers to create impactful stories for the screen that resonate with global audiences, believing this is essential to building a more vibrant, sustainable and diverse industry.

Freedom of Expression and Creative Vision

- TFL champions the **freedom of expression** and supports diverse creative visions.
- We provide a **safe space** where professionals can explore challenging themes and diverse perspectives without fear of censorship, pressure or judgement.
- We motivate participants to **be mindful of the potential impact** of their work while dealing with sensitive topics.

Respect for Diversity and Variety

- TFL celebrates **the richness that diversity brings** to the global audiovisual landscape.
- We actively support projects and participants from a **wide range of cultural backgrounds, perspectives, and storytelling approaches**.
- We promote **intercultural understanding and exchange** through our programmes and initiatives.

Internationalisation and Global Collaboration

- TFL is inherently **international in its scope** and actively fosters cross-border collaboration.
- We encourage the **exchange of ideas, knowledge, and best practices** among professionals from different countries and cultures.
- We aim to build a **global network** that supports the development and circulation of diverse cinematic voices.

Inclusion and Welcome

- TFL is **against any form of discrimination, violence or exclusionary**.
- We actively strive to create a **welcoming and inclusive space for all**, regardless of nationality, ethnicity, gender identity, sexual orientation, religion, age, disability, or socioeconomic status.
- We ensure **equal opportunities** for participation and access to all TFL initiatives.
- We encourage a culture of **open dialogue and mutual understanding**, where all voices and perspectives are valued and have the opportunity to be heard and represented.
- We believe in the **importance of diverse storytelling** and the richness it brings to filmmaking.

Environmental Sustainability

- TFL is aware of the **urgency of environmental sustainability** and is determined to play its part in shaping a more responsible future.
- We recognise the **environmental impact of our work and of the audiovisual industry** and are committed to promoting sustainable practices throughout our programmes and initiatives.
- We raise awareness and encourage **eco-conscious approaches and practices** among our community.

The spirit of the TorinoFilmLab Charter of Values is a **dynamic and shared commitment**, not a final destination. We invite all participants, collaborators, partners, and community members to embrace these values as a foundation for exploration, conversation, and collective progress in the audiovisual industry.

Harmony and Respect

- TFL promotes a **harmonious and collaborative environment** where participants can learn, create, develop projects, and network effectively.
- **Respect for others' opinions, beliefs, and work** is paramount. Constructive feedback should be offered with courtesy and consideration.
- We encourage all participants to **engage with each other** professionally and ethically.

We believe in the power of stories to enrich society and drive positive change.
